Hydration Packs

SOURCE is the only hydration system in the market with a Glass-Like film that requires almost no maintenance to stay clean and bio-film free.

The Tactical 3L Hydration Pack is our most popular hydration system. It can be worn backpack style, inserted in a packpack, or directly attached via MOLLE on vests or backpacks using the QCA buckle system.

Part Number	Description
434000330102	Tactical 2L Hydration Pack - Black
434000330103	Tactical 3L Hydration Pack - Black

Additional Color Options:

Coyote, German Flecktarn Desert, Multicam, Olive,
 German Flecktarn Woodland
