

## Battle Lanterns & Upgrade Kits

Part Number		Description
RB1412901		Battle Lantern, Portable, Hand Held with Mounting Bracket Uses Incandescent Bulbs
4820B		Battle Lantern Bulbs, Box of 12
48BLLEDUK4W		White LED Upgrade Kit
48BLLEDUK2R		Red LED Upgrade Kit
48BLKITSWLED		Bulk Head Mounted Combined Conversion Kit- White LED Non-Rechargeable to Rechargeable
48BLKITSRLED		Bulk Head Mounted Combined Conversion Kit- Red LED Non-Rechargeable to Rechargeable
48BLKPRRLED		Portable Combined Conversion Kit- Red LED, Non-Rechargeable to Rechargeable
48BLKPRWLED		Portable Combined Conversion Portable Kit- White LED, Non-Rechargeable to Rechargeable
48BLB65S		Battery, Rechargeable, Recyclable, 6 Volt

RB1412901

\*Rayco Supply is the EXCLUSIVE Distributor for the Combined Rechargeable/  
LED Battle Lantern Conversion Kits. \*

### Conversion/ Upgrade Advantages

- Environmental: Recyclable, Rechargeable Battery (3-5 yr cycle),  
Supports Green Initiatives
- Cost Reduction: Supply/Procurement, Repair, Storage, Disposal
- Reduction of PMS Resources: Man Hours
- Improved Safety: Sealed Construction- prevents corrosion and damage  
 Charge Sensor- automatic detection, prevents overcharge  
 Fail Safes Built In- temperature, battery failure, circuit  
 irregularities  
 Hydrogen Vent- prevents explosive gas build up
- Improved LED: 24hr Light Time Before Recharging,  
Approx. 70,000hrs before degrading
- Extended Life Cycle: Designed to be a **ONE-TIME** Purchase
